A P.T.R. for Rs 5,500 has been sent to the Assistant Engineer, Head Quarter Range, Mysore.

I have the honor to be,

Sir,

Your most obedient servant,

;ter No.1961 dated 4-4-36 from the Superintending Engineer, Mysore ;ncle, Mysore, to the Chief Engineer of Mysore.

Constructing the main building for the Central Institute for Defectives in Mysore.

I have the honor to submit herewith for favour of sanction a comparative statement and abstract estimate for the above work as per actual execution received from the Assistant Engineer, Headquarter Range, Mysore treating it as the revised estimate for the work.

2. It will be seen from the comparative statement that there is an excess of Rs 3,208 over the original estimate amounting to Rs 43,000 sanctioned in Public Works Secretary's letter No.2066/3 dated 3-4-1934 and that the excess works out to 7.46 per cent. of the original sanctioned estimate.

3. The reasons for the excesses and the savings have been explained in the remarks column of the statement and the following works not provided for in the original estimate are seen to have been taken up.

i) Construction of a rear verandah in first floor.
ii) Shifting compound wall with gate pillars.
iii) Closing the opening in the South and North compound.
iv) Improving the gables of Old Out-house.
v) Shifting the rear connecting corridor to the outer wall line.

4. The cost of the work according to the original sanctioned estimate was ordered to be met out of the donation amount of Mr. Boyce viz., Rs 25,000 and the grant of Rs 18,000 made out of the Annachattram Savings Fund. Therefore, the excess of Rs 3,208 now involved has also to be met out of the Annachattram Savings Fund. A balance amount of Rs 5,500 out of the sum of Rs 18,000 originally sanctioned ~~out~~ under of the Annachattram Savings Fund is yet due from the Muzrai Commissioner, and it has been intimated by him that sanction of Government has been applied for for payment of this amount. I request that the Muzrai Commissioner may be requested to obtain the sanction of Government for the further sum of Rs 3,208 required also and place the total sum of Rs 8,500 + 3,208 = Rs 11,708 at the disposal of the Assistant Engineer, Headquarter Range, Mysore, to enable him to close the accounts of the work at a very early date.

5. I am forwarding a copy of this letter to the Muzrai Commissioner also for information.

No.10346 dated 4-4-36

Copy of the above is forwarded with compliments to the Muzrai Commissioner, Bangalore, for information with reference to correspondence

ending with his letter No.C.579/35-36 dated 14-2-1936 to the address of the Assistant Engineer, Headquarter Range, Mysore.

The total sum of Rs 8,70 required in this connection may kindly be made available at a very early date.
